Planting seeds for a new Asia!

VIETNAMWOOD 2013 is an industrial products oriented exhibition and aims to transplant the Asia magic to a new and emerging Myanmar. It is jointly organized by VINEXAD and Yorkers trade & marketing service Co. Ltd, official supported by EUMABOIS - European Federation of Woodworking Machinery Manufacturers.

"VIETNAMWOOD provides people here with an unprecedented opportunity to view more than 1,200 various Machineries, Equipments and Products at a single venue. These exhibits are innovative and with the latest versions, they are under the display categories of Woodworking machineries and equipments, Furniture hardware, Fittings and accessories, tools, woodworking materials & consumables and others*" they said.

"The show is of special interest to furniture manufacturers, Sawmilling, Timber Processing, OEM manufacturers, Building & Construction, furniture Components / Supplies, purchase, maintenance, R & D, engineers from assembly lines and technology managers, distributors, brokers and government." they remarked.

VIETNAMWOOD 2013 runs September 25-28 at SECC Exhibition HALL in Ho Chi Minh, Vietnam.

See 260 exhibitors from 19 countries show their best in 500 booths. This endeavor is expected to attract key industrial players from Vietnam and neighboring countries like Thailand, Malaysia, Myanmar, Cambodia, Laos and India.
